September 30th will be our White Tail Unlimited Gun Raffle and Chicken BBQ. Tickets are still available at club. Don't miss out, it is a really good time.

We would like to thank Harry Goodell and City Hill Construction for adding on to our shooting berm for us, it looks Great! That Harry really knows how to move dirt.

Just a heads up, the last day to put your hours in for our workers party is November 5th, so if you need hours we can always use help.

WEDNESDAY WING NIGHT and FISH FRY VOLUNTEERS NEEDED

Wing Night help

Our popular Wednesday chicken wing nights and monthly Fish Fry nights are short on staffing and we need a few of our nearly 900 members to step up and donate a little time which can build up to enough hours to get an invite to the annual Worker’s Party in November. Please let Pat House, one of the Directors or a bartender know if you can help.

Pool League

If anyone is interested in playing in the Wednesday night pool league we could use another six person team. If you and your friends want to join in and form a team, please contact the club or Scott Sutherland.

Sunday Euchre

Partner drawings at 12:45 pm and games begin at 1:00 pm.

Facebook Member Page

There is a Seneca Lake Duck Hunters “Members Only” page on FB. If you want to join, go to the group page and submit a request to join. The page provides timely updates and reminders for various events at the club.

Member meetings are at 6:00 pm on the 4th Friday of the month

TRAP & SKEET NEWS

Our last Summer League Date was August 20th. We are close to tallying up the scores to see how each team did this year. It is quite a task but we will get it. We have to say Bradley (Bodadly) Braman was the best at doing this for us. Thank You Bodadly for showing us how to get it done.

Our Summer League Baqnet will be held September 23rd, there has been a sign up sheet at our last 2 shoots to sign up, if you did not sign up and plan to attend contact Andrew R Button and we will sign you up.

A huge Thank You to The Fish Fry crew for donating funds to buy a camera for the Junior shooters to help them see were there shot is going when they shoot. It's a great tool for them and anyone to help all of us. It really is impressive to see it work. I guess we can say technology has come a long way at the Duck Club.

See You All in September

Andrew R Button
